Happy Tails from Jake!!!

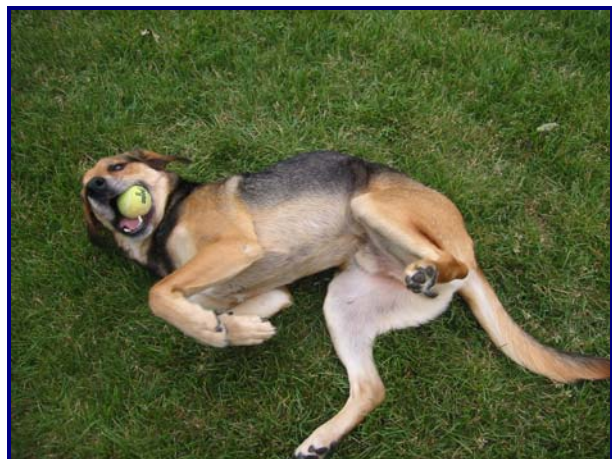

Today is my 1 year adoption anniversary. How this year flew by.

I came to HSHV as a stray and was named Frank. Lucky for me, one of the wonderful staff members at HSHV recognized my trademark blue and brown eyes and I got my real name back.

Because I was much too exuberant around all my doggie neighbors, it was suggested that I go to a foster family (shhh, it was actually my plan all along). After 2 weeks as a most well behaved dog, my foster mom and dad couldn't resist and so, one year ago I found my forever home.

Life has been awesome. I go for long walks, stop to smell not just the roses, take long naps in my yard and meet with lots of dogs at the Westland Dog Park on Hines Drive. Everyone in my neighborhood knows me and can't wait to pet me or throw a ball for me to fetch.

I wanted to thank the HSHV staff who took care of me and the wonderful volunteers who guided me to my initial foster, now forever family. Please keep up the good work you do for my fellow two and four legged friends. We wouldn't be able to find our new homes if it weren't for you.
