

HSHV Volunteer Agreement

Volunteering at HSHV can be a rewarding and fun experience. There will be many opportunities to learn, grow and make new friends. When you join the volunteer team, the following agreement for volunteering and confidentiality is implied for all volunteers either active, seasonal, foster, community cats, JV or Day of Service.

HSHV Volunteer Agreement (from the HSHV website, volunteer application)

I understand that I will be placed in a volunteering position in accordance to the needs of the animals and in relation to my skill set.

In consideration of HSHV accepting my application for participation in HSHV programs, I agree to release and hold harmless HSHV from and against any and all loss, damage, claims, liability, costs, and expenses, of any nature whatsoever, including without limitation attorney's fees and disbursements, arising from or occasioned by my participation in HSHV's programs. I understand there are certain risks inherent in handling animals and I accept those risks. I understand if an accident or injury should occur, no matter how minor, that I will complete a Volunteer Injury Report form and seek any necessary medical attention utilizing my own medical insurance.

As a volunteer of the Humane Society of Huron Valley (HSHV), I recognize and acknowledge that during the course of my duties I may have access to certain information not generally known to the public. Volunteers may not divulge confidential information about HSHV employees, volunteers, customers or adopters and confidential animal information without the written consent of HSHV. All confidential information is intended only for the expressed and specific use according to HSHV policies and procedures and is privileged, confidential and exempt from disclosure under applicable law. Violation of this agreement may result in termination of my volunteering.

I agree that HSHV may photograph my participation in this program, and I hereby release any such photographs to HSHV for use in its programs, publications and other purposes.
