CONTINUING CARE FOR YOUR PET

One of the most loving things we can do for our pets is to make arrangements for their well-being if we should leave them behind. HSHV's Continuing Care program helps provide a bright future for pets whose parents predecease them. Pets enrolled in the program are placed with new families looking to adopt a pet into their home.

This program is one of the benefits of becoming a Guardian Circle member and enrollment in the program is easy. If interested, complete and send the accompanying Declaration of Intent noting that you would like more information on Continuing Care.

We will provide you with an enrollment form, program agreement, and pet profiles to begin the process.
