

What A DIFFERENCE *a year* makes

Humane Society of
Huron Valley

ANNUAL REPORT 2022

ONE STORY of thousands

Bunny was barely alive when she came to us in 2022. This little stray Shih-Tzu was skin and bones under her urine-stained, heavily matted fur and barely able to stand without falling. Our veterinarians rated her a 1/9: at risk of death without emergency intervention. Fortunately, you were there. Your support -- your donations-- your love saved Bunny, and today, she's unrecognizable from what she was then. Happy, healthy, and running around her new home! What a difference a year makes!

The BIG Picture

SAVING MORE, DOING BETTER

Bunny wasn't the only animal who found a perfect match; in 2022, we hit an adoption record, finding homes for more than 5,300 animals. We increased the visibility of harder-to-adopt animals. Revamped our foster care program to serve more special needs animals. And worked hard to shorten the length of time animals stay in our shelter and find forever homes faster. Overall, we helped 26,000 animals through a variety of services.

SPREADING COMPASSION, UNDERSTANDING AND RESPECT

Our goal was to increase humane education participation by 25%; we hit 291%. We expanded to include more community partnerships and populations, offering programs in different languages, tailored to different abilities, and brought to people where they are.

IMPROVING ANIMAL PROTECTION

We helped develop and support the Michigan Pet Alliance -- the state's first member association of shelters/rescues -- to improve standards of care and create better laws protecting animals, educate and advocate on all levels.

LIFETIME ACHIEVEMENT AWARD

2022 marked the inaugural year to grant HSHV's Lifetime Achievement Award in recognition of outstanding and longstanding dedication to HSHV and our animals—and inspired by its first recipient, Kate Murphy.

After retiring from a prestigious career at Michigan State University, Kate started volunteering at HSHV in 2007. Our shelter then was a very old, very sad place, demanding guts of steel—which didn't deter Kate.

With a heart of gold and the patience of a saint, in the rain, sleet, and snow, Kate has always been here for the animals. Never daunted by our most distressing cases or her injuries.

Dedicated dog walker, greeter, adoption counselor, foster, reader to dogs, and, of course, adopter, Kate Murphy has given HSHV and the animals over 8,000 hours of service. She's served for nearly a decade on our Board of Directors, including as Board Chair. And she's been one of our most successful...and dogged... Walk and Wag fundraisers and generous donors.

Kate is also a true and courageous champion of the "underdog" and our fragile democracy—actively speaking out for a better world for animals and people.

It doesn't get better than Kate. She is who all our dogs want us to be.
