Special Instructions/Comments:

Please refer to the Treatment Aftercare document for instructions on activity restriction and dates for scheduled treatments.

Additional Comments/Notes:

*Your dog must remain on Heartgard Plus and receive one dose per month. The price ranges from a single dose and a year's supply and is based on your dog's weight and/or how much you purchase at one time.

**The above total ranges from an average 5lb dog to a 200lb dog. Your veterinarian can provide you with a customized quote for your dog's current weight if requested. All quotes are subject to change during treatment. Payment is due at the time the services are performed. Taxes added at time of payment. This total does not include price of heartworm preventative or doxycycline.

***All quotes are subject to change during procedure if unforeseen complications arise.
